COFFEE

Coffee is the second most traded commodity in the world, second only to crude oil! With that in mind we wanted to find a bean that delivered an amazing espresso but at the same time ensured that it was Rainforest Alliance Certified. This means our 100% Arabica beans, that come from Fortaleza in Brazil, are farmed to conserve wildlife, safeguard soils and waterways, and protect workers, their families and local communities.

We are proud to be involved, we hope you enjoy your coffee.
